Dear Steve,

All of us at Kearny Real Estate would like to thank you for the services you have provided to our company at the former Nissan campus. The parking lot renovations, tenant improvements, and many other miscellaneous jobs at Nissan that you have completed for us have met our high standards and we have been very pleased with the outcome of these projects.

It has been a pleasure working with Excaliber Contractors. You and your staff have shown nothing but professionalism and have been very easy to communicate with. Your timely responses and your consistent ability to meet our expected deadlines in the face of unexpected changes in the scope of work due to unexpected site conditions demonstrated your firm's commitment to our project.

Please feel free to use us as a reference in the future. We look forward to working with you and your team on future projects.

Best regards,

Tony Nobuyuki
